## Specifications Drawing

### Banner Bay Marine FinDelta #3

Classic FinDelta has a survival orange color fin for visibility in rainy and foggy anchorages. Place a small led lamp between the wings and the sail will "glow" at night, making the boat visible to others, and easy to find if returning after dark.

1. Corner grommets: Pressed ring grommets at front tip of fin, and rear wings.
2. Green starboard wing, and red port wing reinforcement webbing (optional).
3. Fin drop: 2 inches / 5 cm. (Forms concave area to help flatten wings)
4. Fin: 8.5 oz Storm Orange, Wings 6 oz
5. Center tie-down, and 2 wing trim grommets #5 size.
